

Register for the RAD Summer Reading Program on June 3. RAD stands for Reading, Art, and Design, and we want you to get inspired at Lincoln Library! This year the theme is "Reading By Design," with different topics each week: PLAY, OBSERVE, CREATE, MOVE, TRANSFORM, GROW, BUILD, REPEAT. If you sign up for the program, you get a free sketchbook and reader's log to track your reading. Little prizes are available each week, just for coming to the library. You can earn raffle tickets for larger prizes by logging your reading. Large prize raffle will be drawn at the end of the program.
