MOBILE DEVICES

- Download and Install the **OverDrive app** from the Apple App Store, Google Play Store, or Kindle App Store
- Open the Overdrive app and tap **Sign In**, then tap **Sign in using library card**
- Enter **Lincoln Library** in the search box and tap **Go**. Tap **Lincoln Library** under **Rolling Prairie Digital Consortium**, then confirm your selection on the next screen by scrolling to **Lincoln Library (Springfield)** in the list. Once you tap **Done**, you can then enter your library card number and tap **Sign In**
- Tap the plus sign to start looking for a book. Tap **Sign In** and re-select **Lincoln Library (Springfield)** and re-enter your library card number if prompted
- Search or browse for a title to checkout. Tap on a book cover to read a synopsis, check it out, put it on hold or add it to your wish list
- Tap **Borrow** to check out a title. A confirmation page appears to confirm you want to borrow that title. Tap on the number of days to change your borrowing period. Tap **Borrow** to complete your checkout
- Download your checked out item by clicking **Download** and choosing Open EPUB ebook to read in the app or tapping the **Read now with Kindle** button to read on a Kindle device
- To read/listen to a checked out book or return a checked out book:
 - Tap the  icon in the upper left corner of the app to open the menu. Tap **Bookshelf** and then tap the cover of the book to start reading or listening
 - To return, tap and hold the cover until the return option appears. Tap **Return to library** and then confirm your request by tapping **Return**

E-INK DEVICES

Use Adobe Digital Editions to read EPUB and PDF formatted eBooks on your **e-ink device** (Kindle e-ink devices are not compatible)

- **Download Adobe Digital Editions** from adobe.com/solutions/ebook/digital-editions/download.html (Choose either Macintosh or Windows depending on your computer)
- Activate Adobe Digital Editions with your Adobe ID. If you do not have an Adobe ID you will need to register to get one at account.adobe.com
- Find the title you would like to check out on the Library on the Go website at rpls.overdrive.com and click **Borrow**
- Go to your loans by clicking on the  icon (if not automatically transferred). Click the **Download** button and select **EPUB ebook** from the drop-down menu to download the title and then open with Adobe Digital Editions
- To transfer to your e-ink device, connect your device to the computer with a USB cable. In Adobe Digital Editions click the **Library** button, then click and drag the title to the left hand side of the screen to your mobile device. A green plus sign will appear. Release the title and it will be transferred to your device. Eject your device from your computer and the title will be available to read on your device
- **Return** early by clicking on **Library** in Adobe Digital Editions, then right click on the cover and click **Return Borrowed Item**

MP3 PLAYERS

- Download and install OverDrive's desktop app from app.overdrive.com
- Find the title you would like to checkout out on the Library on the Go website at rpls.overdrive.com and click **Borrow**
- If not automatically transferred, go to your Loans by clicking on the icon. Click **Download** and **select MP3 audiobook format** from the drop-down menu to download the title.
- Connect your MP3 player to your computer, open the OverDrive desktop app, select the newly downloaded audiobook, and click **Transfer**. Follow the on-screen prompts to transfer the audiobook to your MP3 player.

KINDLE DEVICES

- Find the title you would like to check out on the Library on the Go website at rpls.overdrive.com and confirm that it is available in Kindle format by clicking the cover and checking that **Kindle Book** appears on the list of **Formats** in the upper right of the screen
- Click **Borrow**. Go to your Loans by clicking on the icon (if not automatically transferred). Click the **Read now with Kindle** button
- You will be transferred to the Amazon website to sign into your Amazon account
- Click **Get library book** to transfer the book to your Kindle or Kindle reading app or click **Download now** to transfer it to your device using a USB cord
- To return Kindle books, you will need to log in into your Amazon account and select Your **Content and Devices** under the **Account & Lists** dropdown. Click the button in the **Actions** column next to the title you wish to return, and choose **Return this book**. Click **Yes** on the confirmation page that appears to complete your return
