

Read full color, interactive eMagazines on your computer or mobile device, all with unlimited checkouts and no due dates.

MOBILE DEVICES

-  New users have to create an account online before using the app. Go to lincolnlibrary.info and click **Download & Stream** then **RBdigital**. Click **Register** and fill in all the fields
- Download the RBdigital app from the Apple App Store, Google Play Store, or Kindle App Store and open the app on your device
- Click **Login**, select USA, enter the username you created, tap **Next**, enter your password, and click **Login**
- The **Checked Out** screen appears with your current checkouts listed. Click on any of them to begin reading (*must be connected to Wi-Fi to download checked out items*)
- Search by tapping the  icon or browse by clicking on the **Menu** icon  and selecting **Magazines**
- Tap on a magazine cover to read a description, view past issues, or checkout
- To download a magazine, open the **Menu**, go to **Checked Out** and tap **Download** under the magazine you wish to download
- To remove a magazine from your device, open the **Menu**, go to **Checked Out** and click the **x** on the top right of the cover. Or click the cover and select **Return**

COMPUTERS

- Go to lincolnlibrary.rbdigital.com and **Sign In** with your username and password or **Register** to create an account
- Click on a magazine cover to read a description, view past issues, or checkout
- To read or return a magazine, open the **Menu**, go to **Checked Out**, click the cover and choose either **Read** or **Return**
 - Note: Titles cannot be downloaded to a computer, so you must be connected to the internet while reading. Downloading is only available in the mobile app*
