

Learn over 30 languages with this proven immersion method. Practice reading, writing, listening and speaking. Speech recognition gives you interactive feedback, and your progress syncs across all your devices.

## MOBILE DEVICES

*Requires WiFi or data connection*

- Download and Install the **Rosetta Stone app** from the Apple App Store, Google Play Store, or Kindle App Store, but **DO NOT launch the app once installed**
- Open a web browser on your device and go to the library website at [lincolnlibrary.info](http://lincolnlibrary.info)
- Tap **Research Tools** then click the box next to **Language Learning** and tap **Apply**
- Tap on **Rosetta Stone** and enter your library card number, then tap **Rosetta Stone Library Solution**
- Enter your email address and create a password, then choose a language to learn from the drop-down menu and tap **Sign In**
- Tap **Launch Rosetta Stone Foundations**, and your device will ask you if you want to open in the app. Tap **Allow** or **Open** and you should be automatically logged into the app
  - *If you are not automatically logged in, tap **I already have an account**, choose **Enterprise and Education Learners**, re-enter your email address and password from the Rosetta Stone website and use **s9067598** as the **Namespace***
- Once you are logged into the app, click on the settings icon  in the top right corner to adjust the speech and lesson settings to match your preferences
- Return to the home screen and select a unit to start learning. The app will save your progress and sync between your devices
- **To switch to a new language:**
  - Tap the settings icon in the app and tap **Sign Out**, then sign in to Rosetta Stone from the library website using the steps above, selecting your new language from the drop-down menu on the sign-in screen

## COMPUTERS

*Requires internet access, microphone, and speakers*

- Go to the library website at [lincolnlibrary.info](http://lincolnlibrary.info)
- Click on **Research Tools** then click the box next to **Language Learning** and click **Apply**
- Click **Rosetta Stone**, enter your library card number, and click **Sign In**
- Click **Rosetta Stone Library Solution**, enter your email address and create a password, then choose a language to learn from the drop-down menu and click **Sign In**
- Click **Launch Rosetta Stone Foundations**
- Click the settings icon in the top right corner to adjust your speech and lesson settings to match your preferences
- Click on a unit to start learning. The site will save your progress and sync between your devices
- **To switch to a new language:**
  - Click on your email address in the top right corner of the screen and select **Sign Out**, then sign in to Rosetta Stone from the library website using the steps above, selecting your new language from the drop-down menu on the sign-in screen
